

## New East Portal Parking Project Will Aid Y-12ers

**Enlarged Area To Hold 395 Vehicles; Road Will Be Relocated**

Y-12ers using the East Portal for entrance and exit from the plant within a few weeks will have a modernized and enlarged parking area installed for their convenience. This project, on which work was scheduled to start on Tuesday of this week, will be in keeping with the recently completed East Portal, the main vehicular entrance to the Y-12 Plant.

The Ralph Rogers Construction Co., of Oak Ridge and Nashville, is the contractor for the project. The first work will be the demolition of the old concrete slab that was the foundation for the old wooden wartime portal that was razed when the new portal buildings were put in service.

**New Area Is Planned**  
An entirely new parking area to accommodate about 175 vehicles, when properly parked, will be installed on the south side of the new portal buildings. This work is scheduled to begin next Monday, September 14.

When this work is started rather extensive temporary changes in parking and traffic flow in the present parking area will be necessary. A map with detailed instructions for motorists using the facility will be published in The Bulletin next Wednesday, September 16. All Y-12ers are urged to carefully scan the map and read the instructions to avoid confusion during the construction period. By doing so, delays and traffic congestion will be avoided.

The new parking area will be surfaced with asphaltic-concrete and will provide all-weather parking as close to the plant area as possible.

### Present Area Revision Set

When the new parking area is completed, the present parking area is to be rearranged for more efficient traffic control. It is expected that the combined capacity of the old and new parking areas will be 395 vehicles.

The modernization of the East Portal parking area also includes plans for relocation of the East Portal Road to provide easier access to the areas.

## Symphony Orchestra Sets First Rehearsal Tonight

Y-12 instrumental musicians desiring to try out for places in the Oak Ridge Symphony Orchestra have been invited by Director Eugene Cohen to attend the first rehearsal session of the group tonight, Wednesday, September 9. The rehearsal will be at 7:45 p.m. in the music room of the Oak Ridge High School.

The first concert of the season for the symphony orchestra will be presented November 7 with an ambitious program. To be presented will be a suite on English folk songs by Vaughan Williams, the Mozart 39th Symphony, Bizet's "L'Arlesienne" Suite No. 2 and—a real innovation for the orchestra—the Shostokovich Ninth Symphony.

## Dave Harrigan To Complete Quarter Century Of Service With Carbide On September 15

## Y-12er D. C. Kirkman Named To Ridge Planning Group

Another Y-12er has been honored with a city governmental post as a result of his interest in civic affairs. He is D. C. Kirkman, of Project Engineering, recently elected to the 11-member Oak Ridge Area Planning Commission. He was named to the post by the Oak Ridge City Council and received nine out of the 12 councilmanic votes for the post. There were 11 candidates for the four positions filled by the council, with four being elected. Other members of the group include two members of the council and other holdovers.

Kirkman has been a Y-12er since May, 1957. He has been in the Oak Ridge Area for several years with construction firms. He is a native of North Carolina and attended North Carolina State College and Duke University.

## ORNL GROUP HAD 4,911,482 HOURS WITHOUT INJURY

Instead of slightly exceeding the 5,000,000-hour mark of operations without a disabling injury as of July 2, Oak Ridge National Laboratory employees in the Y-12 Plant Area were just slightly below that figure, Safety Department figures revealed last week. When an ORNL employee sustained cut fingers in a mishap on July 2, the group had worked for 4,911,482 hours without a lost time accident. The last ORNL disabling injury in the Y-12 Plant was on October 23, 1956.

David William Harrigan, of the Plant Shift Superintendents' Office, will become the Y-12 Plant's fourth member of the Carbide 25-Year Club on next Tuesday, September 15. The group is composed of those who have been with Union Carbide Corporation for more than 25 years.

This year will see five Union Carbide Nuclear Company employees in Oak Ridge and Paducah, Ky., attain the 25-year mark. The total of these "old timers" in Oak Ridge and Paducah will reach 32 with the additions this year.

Y-12ers who already have reached the quarter-century mark in Carbide service and their employment dates are Shift Superintendent Dan H. Rader, January 5, 1930; Finley Creigh, B Shift Superintendent, April 7, 1930; and Y-12 Plant Superintendent John P. Murray, August 1, 1931.

### Is Shift Superintendent

A genial Irishman, Harrigan for the past several months has been a shift superintendent handling relief assignments for other members of the staff on vacation or away for other reasons.

Harrigan was employed by the former Carbide and Carbon Chemicals Company in South Charleston, W. Va., on September 15, 1934. In South Charleston he was connected with the Purchasing and Timekeeping Departments as well as with Construction Costs. He later was appointed assistant head of the Payroll Department there.

### Came To Y-12 In 1947

In March, 1944, Harrigan was transferred to the Oak Ridge Gaseous Diffusion Plant in Oak

## Deadline To Get Safety Awards Set September 18

The Y-12 Safety Department has again reminded all Union Carbide Nuclear Company employees in the Y-12 Plant Area who have not picked up their safety awards for the 24th Union Carbide Safety Period, distributed week before last, must obtain them before Friday, September 18. The items may be obtained at the Safety Department Office, first floor, Bldg. 9704-2, between 8 a.m. and 4:30 p.m.

## GI EDUCATION GROWS

Only 4.1 per cent of the enlisted men in World War I had finished high school. In World War II more than 23 per cent were high school graduates, according to a 20th Century Fund report.

## SYNTHETIC DYES POPULAR

Synthetic dyes have almost completely displaced natural dyes of vegetable and animal origin, it is pointed out by the 20th Century Fund.

## Wisconsin Man Lecturer On AWS Program Thursday

D. F. Toner, of the University of Wisconsin and now connected with the Oak Ridge National Laboratory, will be the second speaker on the lecture series being conducted by the Northeast Tennessee Section of the American Welding Society. He will appear at 7:30 o'clock tomorrow night, Thursday, September 10, at the Oak Ridge Institute of Nuclear Studies Training Building and his subject will be "Alloy Systems." The September series of lectures sponsored by the AWS all cover the metallurgy of steels.

## Y-12 Credit Union Officials To Attend Important Meets

C. V. Ketron, president of the Y-12 Employees Credit Union; and Mrs. Lorena Causey, treasurer and manager; will attend the National Credit Union Management Conference in Detroit, Mich., October 4-7. This meeting is for representatives of credit unions throughout the country with more than \$1,000,000 in assets.

Prior to the Detroit meeting, Mrs. Causey is to attend a Credit Union Institute at Emory University, Atlanta, Ga., October 2 and 3. The institute is sponsored by the School of Business Administration of Emory.

## CORN BIGGEST CROP

Corn has been America's biggest crop for as far back as records go. However, about three bushels out of four are fed by farmers to their own livestock, according to a 20th Century Fund report.

## Free Weiner Roast Slated By D Shift On October 1

A free weiner roast with entertainment will be presented by Y-12ers on the D Shift on Thursday, October 1. The shindig is slated for Concord Park on Ft. Loudoun Lake, beginning at 5 p.m. The entertainment will be by ventriloquist Elbert Lockhart, a Y-12er in Production Control, and his amusing foil, "Slinky Lagoon." All food and soft drinks will be free and prizes will be awarded to lucky ticket holders. Prizes also will be awarded every youngster under 10 years of age attending the affair.

SOME INTERESTING VACATION SNAPSOTS, ABOVE AND RIGHT, WERE MADE BY GUS ANGELE, JR., whose dad is with Civil and Architectural Engineering. Across the top are views of Washington, D.C. At left is shown the dome of the United States capitol building, the scaffolding being a part of the "face lifting" operations now going on. Next to right is the Washington Monument, seen at the end of the Reflecting Pool. Next is the Regulus missile mounted in front of the Smithsonian Institution. At far right is the tomb of the Unknown Soldier of World War I with its perpetual military guard. The two white blocks in front of the Tomb are the last resting places of a veteran of World War II and the Korean engagements. The small picture at top, right, is the 26-foot sloop on which the Angeles, father and son, cruised down Chesapeake Bay. Below is a yawl from the United States Naval Academy at Annapolis, Md., on which future U.S. sailors are trained.

"MISS TINY TOT" of the Anderson County Fair was the title awarded charming four-year-old Rita Lynn Reesor at Clinton August 29. She is shown above with the trophy awarded her for the honor. The Proud Mother is Bonnie Reesor, of the Y-12 Cashier and Travel Office. Rita won the crown from a field of seven contestants.

## 150 Guests Have Big Time At Picnic Held By H Shift

About 150 Y-12ers thoroughly enjoyed themselves at the H Shift picnic staged August 29 at the Roane County Park on Watts Bar Lake. A full recreational program was staged and a number of guests won attractive prizes such as tackle box, spinning rod, a doll, air mattress and some soft balls. Among the winners were Joe Parker, Joe Habermas, Ed Sise, Jr., Mrs. Linda Hawkins, C. A. Slaughter, Brenda Waters, Bill Fritz, C. F. Murrin, S. H. Raines, and others.

## Y-12ers, Wives Appointed Greek Circle Chairmen

Several Y-12ers and wives of employees have been appointed as committee chairmen in the Greek Circle of the Cosmopolitan Club of Oak Ridge. They include Cleo Sideris, Development Operations, history; Kay Sideris, Engineering Division, language instruction; Mrs. J. M. Turley, whose husband is in Development Operations, publicity; and Mrs. Tom Pappas, wife of a Development Operations employee, meeting schedules.

## Good Tallies Mark Classic Opening

### Three Teams Blank Foes At Ark Lanes

The Classic League of Y-12ers, one of the oldest and classiest plant circuits in Oak Ridge, started out its bowling season last Thursday night in smashing style at the Ark Lanes. After the timber stopped toppling, three teams had turned in whitewash wins to share first place. Fine individual scores were posted with Sewel Brown, Swingsters, rolling a fine 237 scratch game, boosted to 255 with handicap. The veteran Frank Gragg, Wolves, fired a sizzling 609 scratch series, increased to 648 with handicap. All these marks were high for the night.

The Swingsters had a 1033 handicap game for tops of the night and the Smelters rolled a 2869 handicap series, also high.

Winners of four points were the Eight Balls over the Tigers, Smelters over the Rebels and Wolves over the Playboys. Three-point wins were posted by the Has Beens over the Cubs, Wasps over the Rippers, Bumpers over the Sportsmen and All Stars over the Swingsters. The Markers and Screwballs broke even at two points each.

League standing follows:

Team	W	L
Eight Balls	4	0
Smelters	4	0
Wolves	4	0
Has Beens	3	1
Wasps	3	1
Bumpers	3	1
All Stars	3	1
Markers	2	2
Screwballs	2	2
Swingsters	1	3
Sportsmen	1	3
Rippers	1	3
Cubs	1	3
Playboys	0	4
Rebels	0	4
Tigers	0	4

## Mixed, Bush Loops Openings Set Soon

With the C League and Classic League of Y-12 bowlers having opened their seasons last week, the two remaining loops are slated to swing into action this week. The Mixed League for men and women bowlers of Y-12 will begin play tonight, Wednesday, September 9, at the Ark Lanes. Eight teams are set to go in this circuit. On next Monday night, September 14, the Bush League of 10 teams will launch its pin toppling campaign, also at the Ark Lanes.

## Y-12 Fishing Rodeo Ends September 14

The current Y-12 Fishing Rodeo that started back in June will be officially concluded at midnight next Monday, September 14. All Y-12ers with entries in the rodeo must submit them to the Recreation Department, Room 265, Bldg. 9704-2, not later than noon on next Wednesday, September 16. Judges then will review the entries and announce the winners in The Bulletin the following week, Wednesday, 23.

## Y-12er Coley Wins Ridge 'Shoe Meet

C. L. Coley, of the Y-12 Receiving Department and a last minute entrant in the competition, won the Oak Ridge Recreation Department horseshoe pitching tournament last week. Coley defeated six opponents in the double-elimination event to capture the crown. He averaged 65 per cent ringers in one night's competition. Several other Y-12ers also competed in the tournament, which drew about 32 contestants.

LITTLE MISS LINDSAY ALFORD, 5, is seen drawing the name of K. E. Smith for the award of a target pistol for a member of the Y-12 Summer Pistol League. Bob Cantrell, Y-12 Recreation Supervisor, is holding the bag from which the name was drawn. Standing from left are Dave Alford, father of Lindsay; O. C. Beatty, D. E. Bailey and T. J. Bush, all of whom fired in the loop.

RECEIVING HIS TARGET PISTOL award is K. E. Smith, left, from Bob Cantrell, Y-12 Recreation Supervisor.

THE BEST SPORTSMAN award for the Y-12 Pistol League summer season was voted to Dave Alford, left, by other members of the league. He is shown receiving the trophy from Bob Cantrell.

## Smith And Alford To Lead Pistoleers Of Y-12 In Loop

In its final firing session of the summer season, the Y-12 Pistol League elected K. E. Smith, of the Sharpshooters team, as Y-12 team captain for the winter season to open late in the fall. This is for competition against other Oak Ridge teams. Dave Alford, of the Y-12 summer championship Masters team, was elected as assistant captain.

In a drawing on the last night of action, Smith's name was drawn to receive a .22 calibre target pistol. Meanwhile, members of the four teams in the Y-12 Plant League voted the annual sportsmanship award to Alford. Smith took part in every one of the 15 matches staged during the summer season.

In individual scoring Alford was high gun in both scratch and handicap averages for the summer season. He fired in 12 matches and came out with a scratch average of 271 and handicap tally of 288.866. In second place was Paul Williams, Sharpshooters, who posted 262 and 287.074 in 14 matches. Other high scorers were T. J. Bush, Marksmen, 257 and 285.129 in 13 matches; and Tommy Swindell, Experts, 252 and 286.320 in 12 matches.

## Three C Loop Team Whitewash Foes

Three teams blasted out with four-point whitewash victories as the C League pried the lid off the bowling season for Y-12ers on Monday night, August 31, at the Ark Bowling Lanes. The triumphs were posted by the Sunflowers, Par Busters and Murderer's Row with the victims being the Knot Heads, IBMs and D Shift. Three-point wins were scored by the Hookers over the Engineers, Alley Cats over the SPs and Chillers over the Big Five.

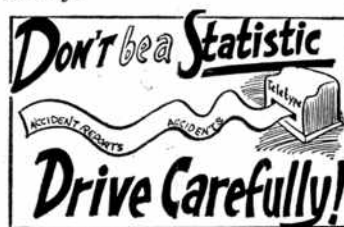

Some excellent early season scores were posted by the C League keglers. Ben Bailey, Chillers, rolled a 199 scratch game, which stood as his handicap game for the night as handicaps were just being established. Al Bittner was right behind with 198. Ray Galford, Sunflowers, had a fine 530 scratch series and Jim Whitten, Chillers, and Galford tied at 577 each with handicap. The Chill-

ers took most team scoring honors with an 833 scratch game, 2358 scratch series and 2798 handicap series. The Sunflowers' 949 handicap game was tops for the night.

League standing follows:

Team	W	L
Sunflowers	4	0
Par Busters	4	0
Murderer's Row	4	0
Hookers	3	1
Alley Cats	3	1
Chillers	3	1
Big Five	1	3

## All-Carbide Golf Tournament Grind Opens For Big Field Of 226 Entrants

### Y-12 Places Four In Championship Flight With Dorr Playing Wiley In First Round

The long grind of the All-Carbide Golf Tournament for the record-breaking number of 226 entrants was scheduled to get underway over the Labor Day week end with all first round matches to be completed on or before next Sunday, September 13. Finals are to be played on or before Sunday, September 27.

The 226 entrants include 88 from Y-12, 76 from the Oak Ridge Gaseous Diffusion Plant and 62 from the Oak Ridge National Laboratory. The total is 50 more golfers than participated in the 1958 event.

### Hines, Gillen In Top Flight

Y-12 placed four golfers in the championship flight of 16. By a quirk of the draw, Carl Dorr, the All-Carbide champion for the past two years, drew George Wylie, another top flight Y-12 player, in the first round of play.

## Babe Ruth League Harriman Champs Piloted By Y-12er

Under the coaching and managing of J. C. Poland, of the Y-12 Buildings and Grounds Department, the Harriman Junior Chamber of Commerce Babe Ruth League baseball team won the championship of a league composed of three teams in Harriman and one from Kingston. The Babe Ruth circuits are composed of boys between the ages of 13 and 15 years.

Poland reports he thoroughly enjoyed his summer of association with the young diamond performers—and his volunteer service in the post is typical of the civic activities undertaken by many Y-12ers. Poland's team established a record of 14 games won and only two lost during the season.

On the Harriman Jaycee team are two sons of Y-12ers. They are pitcher Johnny Morgan, son of J. S. Morgan, Process Maintenance; and Homer Julian, Jr., whose dad is with Mechanical Maintenance. Young Morgan flung a no-hitter against the Kingston team toward the end of the season.

### HOPPE BEATS ELLIS

The only Y-12 results submitted over the week end in the All Carbide found W. C. Hoppe beating Ed Ellis three up in the 11th Flight.

The other Y-12ers in the championship flight are Art Hines, 1956 champion, slated to play E. H. James, ORGDP, in the first round; and Al Gillen, who will meet J. R. Malone, also of ORGDP, in the initial engagement. Dorr, Wylie and Hines all are in the top bracket of the championship flight. A consolation round will be played in the championship flight.

### 28 Other Flights Set

In addition to the championship flight, the big field required a total of 28 other flights, all with eight players each with the exception of the 28th, which only has four contestants. One or more Y-12ers were drawn for each flight. The flight brackets were determined by handicaps of the entrants as of September 1.

Winners in all flights and the consolation round of the championship flight will receive awards of trophies or golf balls, according to the choice of the victors.

## Tilley-Evans Hold Harriman Loop Lead

Tilley-Evans held a slim lead in the Harriman Golf League for Carbide players after the sixth match of the third round of play. The loop leaders drew a forfeit from Warlick-Willmarth. Close behind in second place was the Thomas-Crass couple who whitewashed Ellis-Anglin for four points in links combat. Other matches saw Brown-Jordan take three and one-half points from Hoppe-Walker and Isham-Henck handing Cuneo-Grimes a similar defeat.

League standing follows:

Team	W	L
Tilley-Evans	20	4
Thomas-Crass	18 1/2	5 1/2
Hoppe-Walker	12	12
Brown-Jordan	12 1/2	11 1/2
Cuneo-Grimes	11 1/2	12 1/2
Isham-Henck	11 1/2	12 1/2
Ellis-Anglin	6 1/2	17 1/2
Warlick-Willmarth	2 1/2	21 1/2

CHAMPIONS OF A BABE RUTH BASEBALL LEAGUE with teams in Harriman and Kingston was the Harriman Junior Chamber of Commerce team, pictured above. From left are Larry Hester, Homer Julian, Jr., son of a Y-12er; Mike Meadows, Ted McClure, Chick Meadows, Charles Clark, Pete McCarroll, Manager J. C. Poland, a Y-12er; and Larry Wampler. Kneeling in front is Johnny Morgan, whose father is a Y-12er.

## Many Y-12 Friends Attend Specht Funeral September 2

Many Y-12 friends and fellow employees in the Mechanical Operations Division who were saddened by the unexpected death of Henry H. Specht, 39, attended funeral services for the former Process Department Superintendent last Wednesday, September 2. The services were held at 10 a.m. at the Robertsville Baptist Church with interment in the Memorial Park cemetery. The former Y-12er died Monday night, August 31, at Oak Ridge Hospital. He was stricken ill at his home at 226 Robertsville Road on Saturday, August 29, and was rushed to the hospital.

Among the active and honorary pall bearers were several former fellow employees, including Jack M. Case, Superintendent of the Mechanical Operations Division; J. A. Whitten, G. W. Peach, W. M. Simpson, H. E. Alvey, C. L. Estes, J. K. Franzreb, L. H. Wilkerson, H. H. Stoner, F. V. Tilson, C. E. Hensley, J. S. Reece, J. E. Harding and L. A. Taylor.

## Fred Wilkerson Appointed To Post By Accountants

Fred Wilkerson, assistant treasurer and office manager of the Y-12 Employees Credit Union, has been appointed program director for the Knoxville Chapter of the National Association of Accountants for the coming year. Other directors of the chapter include R. C. DeBinder, employment director of the Central Auditing Department of the Oak Ridge Gaseous Diffusion Plant; and Ward E. Foster, former Y-12er and now with the Oak Ridge National Laboratory Budget and Accounting Department.

The first meeting of the chapter is scheduled for next Tuesday night, September 15, at the Dwarf Restaurant on U. S. Highway No. 25W next to the Tate Motel. It will be a dinner meeting, starting at 6:30 o'clock.

## Eagle Scout Rank Attained By Y-12er's Son

Chester Robert Rea, III, 15, a junior at Oak Ridge High School and son of a Y-12er, has attained the highest honor that can be conferred on a Boy Scout. On August 27 young Rea was made an Eagle Scout at a Court of Honor of the Pellissippi District of the Smoky Mountain Council, the ceremony being held in Oak Ridge.

The young Eagle Scout's proud father is C. R. Rea, Jr., now assigned to the Development Operations Department from Beta Two. He has been a Y-12er since August 10, 1953. The family lives at 145 Wade Lane, Oak Ridge.

Young Rea is a member of Oak Ridge Scout Troop No. 129, of which E. W. Hobson is scoutmaster. He has been a member of the troop for four years. During that time he has been scribe, assistant patrol leader and now is senior patrol leader. He also has been honored by selection to the Order of the Arrow, an honorary Boy Scout organization with members being chosen by a vote of the scouts themselves.

The rank of Eagle Scout is attained by a youth successfully passing tests in 24 different scouting activities for merit badges in each field of endeavor. Young Rea was invested with the title by Charles E. Hudson, head of the Smoky Mountain Council; and Dr. C. L. Green, member of the national executive board of the Boy Scouts of America.

The Reas came to Oak Ridge from Alabama and have lived in the Atomic City for about 12 years. The new Eagle Scout was born in Jasper, Ala. At Oak Ridge High School young Rea is majoring in science and mathematics. He also has been a Red Cross swimming aide for the past two years.

## Reactors Defeat ORGDP Team 7-6

Manager Harley Law's Reactors, contenders in the Y-12 Plant Softball League, had quite a battle on their hands to dispose of the D Shift softies from the Oak Ridge Gaseous Diffusion Plant in an exhibition tilt at Pinewood Park last week. The Y-12ers let the D Shifters get a three-run lead in the top of the second inning but kept picking away and managed to eke out a 7 to 6 triumph. The game was marked by a grand-slam homer by Mitchell, ORGDP catcher, in the second round.

Score by innings:

Team	1	2	3	4	5	6	7	8	9	R	H	E
D Shift	0	0	0	0	0	0	0	0	0	0	0	0
Reactors	0	0	0	0	0	0	0	0	0	0	0	0

Batteries: D Shift, Butler and Mitchell. Reactors, Hawkins and Smith.
